## IN APPRECIATION

This year's Town Report is dedicated to Doris Jones in appreciation for her many years of service to the Town of Gilmanton. Doris is a native of Gilmanton who left to pursue her education, a career, and to start a family. She returned to Gilmanton after the death of her husband and served as Town Treasurer for thirteen years.

More recently, Doris has served as a clerical assistant in the Selectmen's Office for the last fifteen years. She has also served as the School District Treasurer for the last twenty three years and is currently serving as Treasurer of the Supervisory Union #30. For many years Doris took it upon herself to oversee the maintenance of the town's private cemeteries and she was the catalyst in the establishment of the Board of Cemetery Trustees.

Doris has always had a strong sense of community spirit which is shown by her involvement on a number of committees and civic organizations. She has not only been an extremely dedicated and faithful employee but has always been willing to assist beyond what would normally be expected.

The Board of Selectmen, on behalf of the citizens of the Town of Gilmanton, wish to express our appreciation to Doris Jones for the many years of service that she has devoted to the Town of Gilmanton.

**TOWN WARRANT  
THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.**

**To the Inhabitants of the Town of Gilmanton in the County of Belknap in said State, qualified to vote in Town Affairs:**

**You are hereby notified to meet at the Gilmanton Elementary School in said Gilmanton on Tuesday, the Twelfth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:**

**ARTICLE 1:** To choose all necessary Town Officers for the year ensuing.

**ARTICLE 2:** Shall we adopt optional adjusted elderly exemptions from property tax?

The Optional Exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age to up to 75 years, (\$20,000); for a person 75 years of age up to 80 years, (\$30,000); for a person 80 years of age or older (\$40,000). To qualify, the person must have been a New Hampshire resident for at least five years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined income of less than \$12,000; and own net assets not in excess of (\$50,000) excluding the value of the person's residence. RSA 72:43-h

**ARTICLE 3:** Are you in favor of the adoption of the following amendment as proposed by the planning board for the Gilmanton Zoning Ordinance.

**Amendment:** Amend Article IV, Table 2 and Article XV, Definitions to: Decrease setback of buildings from wetlands and perennial and intermittent streams to 50 feet. Require setback of septic systems from wetlands and perennial and intermittent streams to be equal to that required by the State of NH. Amend the definition of Water Bodies to "Including rivers, lakes, natural ponds and artificial ponds larger than 10 acres."

**Purpose:** This will decrease the existing required setback of buildings from wetlands and perennial & intermittent streams from 100' to 50'. It will not adjust the town's setback from Water Bodies.

This will allow installation of septic systems that meet the State's regulations for the setback from wetlands and perennial and intermittent streams. It will not adjust the Town's required setback from Water Bodies.

This will delete the words "streams, creeks, brooks, dammed waters" from existing definition of Water Bodies and will add the words "and artificial ponds larger than 10 acres." Artificial ponds less than 10 acres, i.e., many farm ponds, fire ponds, etc. will not be considered Water Bodies.

**ARTICLE 4:** Are you in favor of the adoption of the following amendment

as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**Amendment:** Amend Article IV, Table 2 by adding the following footnote for Setbacks of Buildings from Water Bodies:

“Additions to existing buildings, additions to accessory buildings and new accessory buildings which do meet all other applicable setback and State septic requirements may be constructed closer to water bodies than otherwise allowed provided they are not closer to the shore line than the closest portion of the existing building.”

**Purpose:** This will allow construction of additions to primary and accessory buildings and also new accessory buildings which are closer to a Water Body than would otherwise be allowed. The new construction can not be closer to the shore line than the closest portion of the existing building. The new construction must meet all other applicable setbacks and State septic requirements.

THE FOLLOWING ARTICLES WILL BE ACTED UPON AT THE GILMANTON SCHOOL ON SATURDAY, MARCH 16, 1991 AT 10:00 A.M.

**ARTICLE 5:** To see if the Town will vote to require the Gilmanton Police Department to move into the new Town Office building (formerly the Academy Building) at Gilmanton corner, in or within 60 days. (BY PETITION)

**ARTICLE 6:** To see if the Town will vote to direct the Selectmen to form a study committee consisting of the Board of Selectmen, Budget Committee, and other interested citizens, for the purpose of studying the merits of combining the positions of Fire Administrator and Police Chief into one position of Life Safety Director. Committee to be formed within sixty (60) days of passage. Final recommendations to be made public by 9/30/91. (BY PETITION)

**ARTICLE 7:** To see if the Town will vote to direct the Selectmen to establish a procedure by which, whenever practical, all town owned vehicles will be fueled at the town pumps. This procedure is to include an accounting slip showing pertinent information such as vehicle identification, vehicle mileage, gallons used, pump mechanical numbers, identity of person filling vehicle, and any other information deemed appropriate. No other than town owned vehicles are to have fuel from the town pumps. Whenever town pumps are not used the same accounting slip must be used and must also include the identification of the source of fuel and reason why town pump was not used. (BY PETITION)

**ARTICLE 8:** To see if the Town will vote to have a line item vote on all appropriations of each department, and that all expenditures from line items are not to exceed the appropriated amount without approval of the Board of Selectmen. All surplus from line appropriated items is to be returned to the general fund to reduce next years taxes. (BY PETITION)

**ARTICLE 9:** To see if the Town will vote to direct the Selectmen, in conjunction with the Budget Committee to direct all town departments to submit an inventory of all equipment in control of the respective department. Inventory to be finalized by category and specific item. No additional purchases are to be made until inventory is completed. Must be completed within 60 (sixty) days. (BY PETITION)

**ARTICLE 10:** To see if the Town will vote to direct the Board of Selectmen to establish a purchase order system for all purchases of all departments. (BY PETITION)

**ARTICLE 11:** To see if the Town will vote to direct the Selectmen to adopt a policy that appropriated monies will be spent only for the repair, equipping, maintaining or support of town owned vehicles and equipment. No privately owned vehicles or equipment can, in any way, be maintained or supported by the Town. (Effective immediately upon passage) (BY PETITION)

**ARTICLE 12:** To see if the Town will vote to direct the Selectmen to have all bills of all departments sent directly to the Town Offices. Such bills to be paid within thirty days of receipt by the Town, unless legitimate discrepancies exist. (BY PETITION)

**ARTICLE 13:** To see if the Town will vote to direct the Selectmen and the Budget Committee, that no pay raises, bonus pay or merit pay will be paid to any town employee without separate authorization from the Town Meeting through a separate warrant article and without specific criteria for payment of the same. (Effective immediately upon passage) (BY PETITION)

**ARTICLE 14:** To see if the Town will vote to direct the Board of Selectmen to prohibit deficit spending, except in the event of emergency as determined by the Selectmen in conjunction with the Budget Committee. (BY PETITION)

**ARTICLE 15:** To see if the Town will vote to authorize the Selectmen to incur debts for Temporary Loans in anticipation of taxes.

**ARTICLE 16:** To see if the Town will vote to authorize the Selectmen to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to apply for, accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.

WHEREAS, Although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

WHEREAS: There are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

WHEREAS: The law as interpreted by the United States Supreme Court no longer accords to the flag the reverence, respect, and dignity to which it is entitled; and

WHEREAS: It is only fitting that people everywhere should join in a forceful call for the restoration of the flag to its proper station under law and decency;

NOW THEREFORE BE IT RESOLVED, That the voters of the Town of Gilmanton NH respectfully request the Congress of the United States to propose an amendment of the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States. **MINUTES OF THE TOWN MEETING  
MARCH 13, 1990**

The meeting was called to order by the Moderator at 10:00 A.M. The warrant for declaration of Town Meeting to take action upon articles therein was read. It was voted to hold the adjourned meeting of articles 4 thru 36 of the warrant on March 17, 1990 at 1:00 P.M. at the Gilmanton Elementary School. Ballots were unsealed by the Clerk and given to the Ballot Inspectors for counting. The ballot box was shown to the voters present as being empty. It was voted to close the polls at 7:00 P.M. and to open the absentee ballots immediately thereafter.

**ARTICLE 1**

By Ballot. 782 ballots cast. (See Results of Balloting)

**ARTICLE 2**

By Ballot.

**ARTICLE 3.**

By Ballot.

**March 17, 1990**

The recessed meeting, determined by vote of March 13, 1990, was called to order at 1:00 P.M. by the Moderator and the results of balloting of March 13, 1990 were read. Richard Foss led the body in the salute to the flag. All the elected officers were sworn in by the Moderator. The Moderator read a letter from Town Council, Walter L. Mitchell, in reference to Article 3. The Selectmen had received a petition attempting to force the adoption of Article 3 by a two thirds vote. Attorney Mitchell deemed the petition invalid because it was addressed to Article 3 and this Article was in fact seventeen different articles "a-q". Therefore all articles except "n" were declared adopted and article "n" was declared denied. (See results of balloting for actual counts.)

**ARTICLE 2.** Shall we adopt the provisions of RSA 72:28, V & VI for an optional veteran's exemption and an expanded qualifying war service for veterans seeking the exemption? (The optional veterans' exemption is \$100.00 rather than \$50.00) (By Petition)

Yes 438\*      No 147

## ZONING AMENDMENT ARTICLE 3

**ART:** **Are you in favor of the adoption of Amendment No. a** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3a. AMENDMENT:**

Amend Foreword to reference the Gilmanton Master Plan "as updated" and delete the reference to the 1982 Edition.

**PURPOSE:**

This will reference all editions of the Gilmanton Master Plan, not just the 1982 Edition.

461 Yes\*

209 No

**ART:** **Are you in favor of the adoption of Amendment No. b** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3b. AMENDMENT:**

Amend Article III.H. to add that all excavations must be in conformance with the RSA 155-E and the Gilmanton Earth Excavation Regulations.

**PURPOSE:**

This will require that all earth excavations comply with the existing Gilmanton Earth Excavation Regulations and NH State RSA 155-E.

314 Yes\*

263 No

**ART:** **Are you in favor of the adoption of Amendment No. c** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3c. AMENDMENT:**

Amend Article IV., Table 1, to arrange the existing uses into alphabetical order.

**PURPOSE:**

To arrange the titles of existing uses into alphabetical order to provide a clearer form of reference.

512 Yes\*

165 No

**ART:** **Are you in favor of the adoption of Amendment No. d** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3d. AMENDMENT:**

Amend Articles V.1. and V.2. to delete references to **specific** Sections of the Subdivision Regulations.

**PURPOSE:**

The reference would remain to the Gilmanton Subdivision Regulations but would alleviate the need to change the Section numbers when the Subdivision Regulations are amended.

412 Yes\*

232 No

**ART: Are you in favor of the adoption of Amendment No. e** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3e. AMENDMENT:**

Amend Articles XIV & XV by reversing their existing order.

**PURPOSE:**

Switch the order of the Articles so that the "Definitions" Article remains at the end of the Ordinance.

433 Yes\*

218 No

**ART: Are you in favor of the adoption of Amendment No. f** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3f. AMENDMENT:**

Amend Article IV., Table 2, by adding the following Footnote:  
"Common lots or other lots permanently preserved as open space may be exempted from the minimum frontage and lot size requirements at the discretion of the Planning Board, but shall be accessed by a permanent Right-of-Way no less than 30' wide."

**PURPOSE:**

This will allow the creation of certain restricted lots, under approval by the Planning Board, which would not be required to meet the existing frontage and lot size requirements.

351 Yes\*

327 No

**ART: Are you in favor of the adoption of Amendment No. g** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3g. AMENDMENT:**

Amend Article V.2. to include restrictions on the community water and/or sewerage disposal systems in cluster residential developments.

**PURPOSE:**

This will require Planning Board approval for the use and placement of community water and/or sewerage disposal systems in cluster residential developments.

432 Yes\*

245 No

**ART: Are you in favor of the adoption of Amendment No. h** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3h. AMENDMENT:**

Amend Article V.9. to include the existing language under Article V., Table 2, which provides that Individual lot sizes may be reduced provided that the balance of acreage required for conventional lot-by-lot development is held in open space according to the terms set forth in Article V of this Ordinance.

**PURPOSE:**

This will copy language that already exists under Article V., Table

2, into the Cluster Residential Development section for clarification.

411 Yes\*

246 No

**ART: Are you in favor of the adoption of Amendment No. i** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3i. AMENDMENT:**

Amend Article XIV. Definitions, definition of "Lot" to:

"A lot is a parcel of land occupied or to be occupied by one main building and the accessory buildings or uses customarily incident to it. A lot shall be of sufficient size to meet minimum zoning requirements for use, coverage, and area, and to provide such yards and other open spaces as are herein required. Such lot shall have frontage as required by this Ordinance."

**PURPOSE:**

Amend definition of "Lot" to clarify what constitutes a "Lot."

474 Yes\*

200 No

**ART: Are you in favor of the adoption of Amendment No. j** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3j. AMENDMENT:**

Amend Article XIV. Definitions, definition of "Lot of Record" to:

"A lot which is part of a subdivision approved by the Gilmanton Planning Board and recorded in the Belknap County Registry of Deeds. Also a lot or a parcel described by metes and bounds, the description of which was so recorded prior to zoning (1970) provided that such lot or parcel, if contiguously owned with another lot or parcel shall be merged unless each parcel meets current zoning and subdivision requirements except as provided under RSA 674:39.

**PURPOSE:**

To clarify what constitutes a "lot of record" and to reference the requirements of RSA 674:39.

398 Yes\*

269 No

**ART: Are you in favor of the adoption of Amendment No. k** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3k. AMENDMENT:**

**Amend Article XIV. Definitions, to add:**

"Contiguous Parcels: Contiguous parcels held under the same ownership are considered merged unless each parcel meets current zoning and subdivision requirements except as provided under RSA 674:39."

**PURPOSE:**

This will copy a definition which currently exists in the Subdivision Regulations.

374 Yes\*

294 No

**ART:** Are you in favor of the adoption of Amendment No. l as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3l. AMENDMENT:**

Amend Article XIV. Definitions, to add:

“Water Bodies: Including rivers, streams, creeks, brooks, lakes, dammed waters and natural ponds.”

**PURPOSE:**

This will provide a definition of Water Bodies in this Ordinance.

445 Yes\*

233 No

**ART:** Are you in favor of the adoption of Amendment No. m as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3m. AMENDMENT:**

Amend Article XIV. Definitions, to add:

“Wetlands: Lands containing soils classified by the National Cooperative Soil Survey as poorly drained, very poorly drained, including fresh water marshes and alluvial soil or lands containing soils classified as poorly drained (group 5) or very poorly drained (group 6) by an on-site high intensity soil survey.”

**PURPOSE:**

This will provide a definition of Wetlands in this Ordinance.

445 Yes\*

234 No

**ART:** Are you in favor of the adoption of Amendment No. n as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3n. AMENDMENT:**

Amend Article XIV. Definitions, to add:

“Woodlot: A Woodlot may be used for forestry and woodlot management purposes only and may not be used for building or development purposes until such time as all applicable zoning and subdivision regulations are met and approval of the Gilmanton Planning Board is granted. Such lot must meet all requirements of the Subdivision Regulations.”

**PURPOSE:**

To copy the definition which currently exists in the Subdivision Regulations.

254 Yes

256\* No

**ART: Are you in favor of the adoption of Amendment No. o** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3o. AMENDMENT:**

Amend Article XV.A. to increase the shore frontage required for a water front lot from the currently required 100 feet to 150 feet.

**PURPOSE:**

This will increase the required shore frontage on lots proposed for a single family dwelling with direct water access and whose shore frontage is part of the dimension of the lot.

416 Yes\*

274 No

**ART: Are you in favor of the adoption of Amendment No. p** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3p. AMENDMENT:**

Amend Article IV., Table 2, Waterfront setbacks, to require:

Setback From Water Bodies and Wetlands:

Buildings 100 feet

**PURPOSE:**

This would increase the existing building setback from 40 feet to 100 feet. It would also clarify that the setback is from Water Bodies and Wetlands instead of from the previous "high water line."

387 Yes\*

302 No

**ART: Are you in favor of the adoption of Amendment No. q** as proposed by the Planning Board for the Gilmanton Zoning Ordinance.

**3q. AMENDMENT:**

Amend Article IV., Table 2, Waterfront setbacks, to require:

Setback From Water Bodies and Wetlands:

Septic Systems 125 feet

**PURPOSE:**

This would add a setback requirement from water for septic systems of 125 feet. It would also clarify that the setback is from Water Bodies and Wetlands instead of from the previous "high water line."

## **REPORT FROM THE REPRESENTATIVE TO THE GENERAL COURT**

The 1990 legislature balanced their budget. It was accomplished by cutting expenditures and revamping some of our tax laws. They subsequently prioritized needs and funded as many as possible. This year appears to be different only in severity of revenue problems along with increased human service needs.

Some of our accomplishments were a Clear Air Act, Pease Air Base Commission, and a more comprehensive workers compensation law. Locally Gunstock Ski Area has serious financial difficulties. Until this year no tax money had been spent on our County Ski Area. They have been self supporting since the late 1950's. The Commissioners of Gunstock and the County Delegation are striving to keep status quo.

We are all aware of the fragility of our lake. Jet skis, rafting, barges and moorings were among the problems which were addressed.

Those who have contacted their legislator by phone or letter are to be commended. Thank you.

Alice S. Ziegra

Representative to the General Court

**MANAGEMENT LETTER  
FOR THE YEAR ENDED DECEMBER 31, 1990**

January 18, 1991

Board of Selectmen  
Town of Gilmanton  
Gilmanton, New Hampshire

In planning and performing our audit of the financial statements of the Town of Gilmanton, New Hampshire for the year ended December 31, 1990 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of several matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. This letter does not affect our report dated January 18, 1991 on the financial statements of the Town of Gilmanton, New Hampshire.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Town personnel and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters or to assist you in implementing the recommendations.

Respectfully submitted,

**MASON & RICH PROFESSIONAL ASSOCIATION**  
Accountants and Auditors

**Finding**—The Town currently uses a manual one write system to record all cash disbursements, including payroll. While the system is used correctly and does provide some financial information, the information available is limited due to the nature of the system. In addition, the system requires a substantial amount of manual recordkeeping time.

**Recommendation**—The Town should seriously consider the advantages of a computerized system. Such a system should ideally interface with any system used by the Tax Collector. A computer system would permit the Selectmen to have available more meaningful reports (including budget and actual comparisons) on a timely basis to facilitate efficient and timely management of the Town during the year.

**Management's Comments**— See Letter following.

February 13, 1991

Mason & Rich Professional Association  
Two Capital Plaza Suite 31  
Concord, NH 03301

Dear Mr. Lyford,

The Selectmen have review your Management Letter for the Town of Gilmanton for the year ended, December 31, 1990.

In your letter of January 18, 1991, you enclosed a memorandum that accompanied your letter summarizing your comments and suggestions.

The Board of Selectmen recognized the need for a computerized system in 1990 and made the recommendation to the Budget Committee and ultimately the voters. Unfortunately, the funds were not appropriated in 1990. The Selectmen are making the same recommendation in 1991 and hopefully they may be appropriated at the March Town Meeting.

Sincerely,

Bruce A. Marriott  
Henry Page  
David H. Russell  
Board of Selectmen

REPORT OF SELECTMEN

1990 has proven to be a year of awareness by the citizenry as to budget and management decisions due to an extremely modified economy. Some special interest groups have been quite vocal in attempts to reduce taxes. Your Board is totally aware of this situation, and is dealing with the task of curbing frivolous or unnecessary expense. The Budget Committee has split into subcommittees charged with analyzing each department's cost of operation, and all town officials have worked diligently to save money.

With the revaluation complete save a few pending adjustments, we are confident that our assessments are more equitable and that each property owner is taxed justly.

We are proud of the performance of each town department and all of our employees, and urge all of you to support them in their endeavors.

The function of this Board is to carry out the wishes of the Town Meeting, and administer the budget as approved. As voters, you are each charged with making a responsible decision regarding the future of our town.

Henry V. Page, Chairman  
Bruce A. Marriott  
David H. Russell

## **GILMANTON POLICE DEPARTMENT**

The year 1990 was a year of challenge for the Gilmanton Police Department. The department was faced with staff reduction as a result of the 1990 town meeting. Our part time officers were put to immediate use to fill the gaps left by the reduction in full time staff. At the onset, the department had four part time officers. The department has always been quite selective in hiring part time officers. Our part time officers have primary jobs which means they are not always available to us. Therefore, two additional part-time officers were hired to give us a larger pool of people to draw from when gaps in police coverage existed.

I am pleased to report that emergency calls can now be dialed into our office. If the office is not manned, the call will be forwarded to the Belknap County Dispatch in Laconia. This should eliminate long distance calling from Lower Gilmanton.

The department installed its base radio station this year which has enhanced our communication abilities. The radio is set up with the highway frequency so that we have radio communications with the highway department. This has been useful during storms and when there are problems with the roads.

The department has also adopted new Rules and Regulations. The last set was adopted in 1985 and served us well. However, times change and we must change with them. The new Rules & Regulations will bring us up to date and will be of great assistance in our day to day operations.

Our activity for 1990 was consistent with 1989. In 1990 the department investigated 1806 complaints compared to 1824 in 1989. Our total activity figure for 1990 is 3728 which is a culmination of everything we do (i.e. suspicious person checkups, motorist assists, motor vehicle warnings, court cases, ect.).

The 1990 town meeting passed funds for the Youth Services Program which works closely with the department. The juveniles we deal with, who are first offenders, are referred to the Youth Services Program for counseling, community service, restitution, to name a few of the agencies objectives. The program has been helpful and will hopefully save the town funds in the future by helping our children to make the right decision.

The department still maintains a Boyscout Police Explorer Post for those young people interest in Law Enforcement. Officer Vincent Baiocchi heads up this program. He also instructed the D.A.R.E. program at the elementary school which unfortunately had to be eliminated due to lack of funds. Hopefully this important program will be reinstated.

This year 1991, marks the tenth anniversary of the Gilmanton Police Department. The department has continually strived to improve its abilities and services to the citizenry of Gilmanton. Our ten year record of excellence is a demonstration of the type of people we employ and direct reflection of the people we serve in Gilmanton.

Respectfully submitted,  
Maurice R. Salmon, II  
Chief of Police

## **GILMANTON FIRE DEPARTMENT ANNUAL REPORT**

The Gilmanton Fire Department consists of thirty-six personnel assigned to four Engine Companies and a Rescue Company that operate out of two Fire Stations, one located in Gilmanton Corner. The Fire Department is primarily Volunteer with the exception of the Fire Chief and Deputy Fire Chief who work Monday through Friday during the daytime hours. Emergency Calls are answered by volunteers who are summoned by tone activated pagers and home receivers from the Lakes Region Mutual Fire Aid Headquarters in Laconia. Although the Gilmanton Fire Department is a town funded department, additional financial support is received by the member organized Fireman's Association. The Fireman's Association is a state registered non profit charitable organization that over the past decades has been directly responsible for the fund raising and purchase of lifesaving tools, equipment, and apparatus. Additionally the Association was responsible for the construction of both Fire Stations from which the Department operates.

The blend of public and private funding of the Gilmanton Fire Department allows our Town to receive top quality Fire Protection and Emergency Medical Services that otherwise would not be possible for a community of our size. Of course the greatest asset we enjoy is the personnel that serve their community as Firefighters and Emergency Medical Professionals. Recruitment and retainment of volunteer personnel in any organization is challenging. The Fire Service and Emergency Medical Service require even greater demands of its volunteers due to the hazardous/emergency nature of our work. Firefighters and EMT's are required to obtain certification in skills necessary to perform the duties. Additionally regular monthly drills and training sessions are conducted to maintain the skills and build the team. Once trained, each member of the Department participates in the business of answering Fire and Medical calls each day of the year twenty-four hours a day.

In 1923, the first Fire Department was organized in Gilmanton by volunteers in the community. Since that time the Department has undergone many changes both organizationally and in the overall mission of the organization. The one theme that has never changed is the dedication of volunteers to come to the aid of their neighbors.

The Gilmanton Fire Department offers many services. In addition to emergency responses, the Fire Department offers inspection services for the prevention of fires and to ensure life safety in buildings, operates the Town Building Department where all building permits are issued and building inspections originate, and handles the Town Health Department for Health inspections and complaints. The concept of having the Building Depart-

ment and Health Department as divisions of the Fire Department works well. Many duplications of service and the cost associated with these services are eliminated. In addition the exposure to the community through inspections and answering complaints allows the Fire Department to be aware of new buildings and changes that otherwise we may not have had knowledge of.

The members of the Gilmanton Fire Department recognize the role the residents of Gilmanton play in the Department's ability to provide emergency services. The support by voters at town meetings and individuals who contribute to the Association is greatly appreciated. It is through this support that our efforts are rewarded.

The members of the Gilmanton Fire Department invite the public to visit the stations during business hours or at special events to inspect the equipment and talk with the firefighters and EMTs.

Members of the public are also invited to consider membership in the Gilmanton Fire Department as a firefighter or Emergency Medical Technician. If you are interested or think you may be interested, take time to discuss it with the Chief, Deputies, or any member of the Fire Department. Being a member of the Fire Department can be rewarding and offers individuals challenge, the opportunity to learn new skills and the ability to meet and help people in the community.

The members of the Fire Department would like to thank the residents, departments, and Selectmen for their assistance and support over the past year and look forward to serving the town in 1991.

In the event of an emergency, call 524-1545 and give the dispatcher at Lakes Region Mutual Aid Dispatch Center all information regarding the emergency. The Dispatch Center will in turn notify the Gilmanton Fire Department. For non emergency business you can contact the office located at the Iron Works Station by calling 364-2500, Monday through Friday.

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but **ONLY** with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, *without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.*"

Violation of RSA 224:27 II and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

## CONSERVATION COMMISSION REPORT

In 1990 the Conservation Commission continued its usual efforts in water quality testing and advising the State Wetlands Board on dredge and fill applications. No significant data was gathered in testing Loon and Shell-camp Ponds that would indicate a change in water quality. A usual number of dredge and fill permits were reviewed.

Also per usual the Commission sponsored a Gilmanton student to a week long conservation camp. The student reported to the Commission that her experience at the camp was very rewarding.

We did, however, have some changes in our membership during the year and still have a vacancy on the Commission. If a Gilmanton resident interested in conservation would like to find out more about the Commission's duties, please call Bill Foster at 267-6874 or any of the Selectmen.

Sincerely,  
William Foster, Chair

## REPORT OF THE CEMETERY TRUSTEES

The Cemetery Trustees held very few meetings in a formal sense during 1990, although we did get together several times at the Copp Cemetery (at Copp Road), again at the Stage Road Cemetery (in Lower Gilmanton), and at the Hillside Cemetery (in the Iron Works). These three cemeteries were the first to see the results of our policy, enunciated last year, of straightening, and, where possible, repairing some of the old head and foot stones. This restoration and repair of the town's history, which should not be allowed to deteriorate any further, will be carried out in the future as funds become available.

The Trustees have decided to concentrate on those cemeteries under their care which are first, along the state highways and main roads and subsequently, those cemeteries which are further away from the main traffic arteries. We anticipate that we will spend some time and effort in the Alton Road Cemetery (up Rte. 140 toward Alton from the Iron Works) next summer and possibly the following two years. There are innumerable grave-stones lying on the ground up there and our estimates of the cost to repair indicate that it will take more than one year's appropriation to finance the entire job.

The past year saw a breakdown in our communications with our lawn care maintenance contractor, Mr. Edward Kelley and as a result our annual maintenance program was not up to the standards that we like to provide. We believe we have solved this problem and that 1991 will find our cemeteries back at the level of care that they have seen in the past.

Mrs. Mildred H. Alward has advised the other Trustees that she will not be standing for reelection in 1991 and we would like to take this opportunity to express our appreciation for her valued assistance and counsel.

Respectfully submitted  
Marion MacIntyre  
Mildred H. Aylward

## TOWN BUILDING COMMITTEE

Renovations at the Academy for Town Offices and at the Old Town Hall for the Police Department were approved by the 1988 Town Meeting, and are near completion. Some delay was caused midway through the project by the business failure of the original contractor. Because the contractor was bonded, the Town had no financial loss, and the insurer became liable for contract completion at original contract prices.

Since the committee's last report to the Town, the Police Department quarters at the Old Town Hall have been substantially enlarged and improved. Space needed by the Department was created by incorporating the former offices of the Town Clerk and Building Inspector. The enlarged quarters now consist of a reception area—secretarial office, file room, officers' report room, and Chief's office. A lavatory was installed for the Department, and wiring and heating systems have been upgraded.

In addition, secure storage for evidence is now possible. Security considerations were vital in all decisions regarding the renovation of Police Department quarters.

At the Academy-Town Offices building, some items under warranty from our original contract remain uncompleted, and are the responsibility of the bonding company. In addition to a few interior details, they include correction of peeling paint on new exterior clapboards, and correction of the cause of foundation leaking, as well as repair of interior damage from that leaking.

The foundation problem related to a barrier which had not been properly installed. Before winter set in, the unsuitable materials were replaced. However, the correct final grading and reseeding will have to wait until spring as will the related interior repairs.

At both buildings, restoration of auditorium finishes will be funded through Phase II private donations. A new kitchen has been installed at the Academy through such community contributions.

Respectfully submitted,  
Helene E. Roberts, Chairman

## GILMANTON PLANNING BOARD

The slower real estate market allowed the Gilmanton Planning Board to spend less time reviewing subdivision applications. We have taken advantage of this respite to get underway on the Master Plan revision. The Gilmanton Master Plan was prepared and adopted in 1982. The law requires that it be updated periodically, every five to ten years. The purpose of the Master Plan is to provide guidance to the planning board and board of adjustment in their decisions and to provide a basis for the zoning ordinance and any amendments which may be proposed.

The housing and community facilities sections were completed in 1990. A subcommittee composed of Sarah Thorne, Doug Gambsy, and Gilbert Boyd is working on the most important section, the land use chapter. During the spring they prepared a survey, modeled on the one taken ten years ago. With help from citizen volunteers, the survey was distributed to every household in Gilmanton. 438 were completed and returned, and the subcommittee compiled the results. A public informational meeting was held and a summary was published in the Suncook Valley Sun and the Gilmanton Gazette. They are now in the process of drafting a revised land use chapter. We will need professional help to finalize the work, complete the maps and put the entire plan together for publication. We anticipate that the Lakes Region Planning Commission will do that work.

We expect to have a revised zoning map displayed in the Academy building along with some of the land use capability maps on which much of our planning is based.

Sarah Thorne has undertaken to write a regular column on planning board activities for the Suncook Valley Sun. The planning board wants and needs help, suggestions, and input from Townspeople in order to carry out its job in the best interests of the entire community.

The board held 23 meetings, including joint meetings with the zoning board of adjustment. Seven subdivisions were approved, for a total of 23 lots comprising about 780 acres. Three site plans and three boundary line adjustments were also approved. Three applications were denied, withdrawn or abandoned. A number of housekeeping amendments to the zoning ordinance were adopted in 1990 along with increased setbacks from water and wetlands. Policies were established to clarify various procedures. Amendments to the site plan review and earth excavation regulations were drafted and adopted. There were a number of informal discussions and site views.

Fewer applications meant lower costs. This year's expenditures were almost \$3000 under budget. Application fees and ordinance sales brought in \$6000. Candace Daigle, our planning administrator, has provided services to the board, to other Town officials, and to the public. Volunteer board

members simply could not be available to provide this service. She has spent many hours, and has organized the process so that it works smoothly. Kammie Anderson Ferre, our Executive Assistant, is responsible for taking minutes, preparing agendas and other tasks under Candy's direction.

All members of the board have worked conscientiously to serve the Town. We are always glad to welcome volunteers for special projects, especially the revised master plan and development of zoning amendments for the coming year.

Carolyn Baldwin, Chairman

## **GILMANTON PARKS AND RECREATION COMMISSION**

The Parks and Recreation Commission this year continued its efforts to improve and enhance the Crystal Lake Park and Ball Field. Stone dust was spread on the ball playing field and a second set of bleachers was installed. Park maintenance has been increased with efforts to reclaim a larger beach area, painting of buildings and bandstand, picnic table repair, a modernized lighting system in the pavilion and sealing of the asphalt in the pavilion.

A Winter Carnival was enjoyed by residents along with a day trip to Wallis Sands State Park. The Commission again provided free swimming lessons to Gilmanton children, skating and ice hockey under the pavilion, and a band concert during the Boy Scout's Chicken Barbecue.

More playground equipment has been installed at the Academy in Gilmanton Corners as well as picnic tables.

The Commission donated approximately \$500 to the Gilmanton Youth Organization to expand its inventory of baseball equipment including umpire gear, helmets, baseballs, bats, and T's, and looks forward to the continued growth of the GYO's activities on behalf of Gilmanton youth.

The Commission wishes to express its thanks to the many residents, scouts, ball teams and Fire Department who participated in our various projects and clean up efforts. We look forward to continued cooperation within the community to serve Gilmanton residents.

## **GILMANTON HISTORIC DISTRICT COMMISSION ANNUAL REPORT**

The Commission has met many times during the past year, responding to requests for permits to build structures within the two historic districts and to recodify the districts' Rules of Procedures and Regulations. A copy of these regulations can be obtained by any member of the public at the town offices.

After a public hearing is held we will finalize the two historic district maps and publish them. They will be available to the public.

As in the past, the Commission stands by to meet informally with members of the public to explain the intent of the law and to hopefully help prevent any unnecessary delays in requests for permits. The Commission would recommend that those property owners contemplating new construction or reconstruction of an existing structure thoroughly review the requirements of the district and request a workshop session to avoid any misunderstandings. Unfortunately, some applications are sent to us without the full information necessary to make a decision, in those cases a workshop session would be helpful to avoid delays in decision making.

The original concept of establishing Historic Districts is to preserve the landmarks and architecture of the community and to maintain architectural compatibility. With the projected increase in new construction within one of the districts, it is even more important that the Historic District Commission receive the full support of the town officials and land owners of the district if we are to accomplish the statutory goals of the Commission.

According to a recent town survey, the people of Gilmanton feel strongly that certain historic town landmarks within the two historic districts should be preserved. The Commission will do its best to maintain the compatibility within the two districts so that the heritage of our town will not be lost.

The Commission meets every first Tuesday of the month at 7:30 PM in the Gilmanton Town Offices. Any land owners in the District are welcome to participate.

Respectfully submitted,  
The Gilmanton Historic District Commission

Regular Meeting of the School Board  
Second Monday of Each Month at 7:30 P.M.

**1990 ANNUAL SCHOOL DISTRICT MEETING  
MARCH 24, 1990 AT 10:00 AM**

The 1990 Annual School District Meeting was held at the Gilmanton School on March 24, 1990, commencing at 10:00 A.M. The meeting was called to order by the Moderator, Mr. George Roberts, Jr. The School Board members present were: Chairman, Mike Robinette, Ralph Forsyth, Herman Kardinal, Jr., Anne Onion, David Osman.

Mr. Roberts read a RESOLUTION honoring MR. THOMAS E. BRUNELLE on the occasion of his retirement as Principal of the Gilmanton School. Said resolution was then signed by the Moderator and the School Clerk. Mr. Moderator proceeded with the 1990 School Warrant.

**ARTICLE I** — To see if the District will vote to raise and appropriate the sum of \$179,000 for the replacement of a fuel tank, roof, outside doors and life safety items to the Gilmanton School; architectural fees, professional services fees, and any items incident to and/or necessary for said construction; to determine sale of bonds or notes on the credit of the Gilmanton School District in accordance with the provisions of RSA Ch. 33, as amended; and to authorize the Gilmanton School Board to determine;

1. the time and place of payments or principal and interest,
2. the rate of interest,
3. the provisions for the sale of notes and/or bonds, and,
4. all other matters in connection therewith; or to take any other action relative thereto.

This Article was motioned by Anne Onion and seconded by Ralph Forsyth.

Mike Robinette motioned that Article I be amended to the sum of \$192,500 to include replacement of cafeteria tables for \$13,500, as recommended by the Budget Committee. Motion was seconded by Anne Onion. Discussion occurred concerning this amendment.

Mr. Phil McIntyre motioned to raise the sum of \$192,500 by direct taxation and not by a bond. Motion was seconded by Kathy Hemplette.

Robert Emond motioned to amend and reduce Article I to the sum of \$70,000 to purchase the items in question based upon the least cost and maximum efficiency. Motion was seconded.

Discussion occurred concerning this amendment.

The Moderator proceeded to call a stand vote on Mr. Emond's amended motion. Yes: 112; No: 167 Amended motion failed.

Mr. Moderator proceeded to call a stand vote on Mr. McIntyre's amended motion. Yes: 72; No: 210. Amended motion failed.

Mr. Moderator proceeded to call a stand vote on Mr. Robinette's amendment: figure of \$192,500, a \$13,500 increase of Article I for cafeteria tables. Yes: 127; No: 166. Amendment fails for the sum of \$192,500.

Mr. Steven McCormick motioned to table Article I to have it be the last Article addressed at this meeting. Motion was seconded. Mr. Moderator called for a stand vote. Yes: 37; No: 200. Motion failed.

On the Article I sum of \$179,000, a ballot vote was in order. Mr. Moderator opened the polls at 11:40 A.M. — Polls closed at 12:40 P.M. Yes: 193; No: 139. Article I fails by a two-thirds vote.

**ARTICLE II** — To see if the District will vote to prioritize the following three options to solve the School District space problem.

1. construct a middle-high school on White Oaks Road land;
2. construct a middle school on White Oaks Road land;
3. construct a middle school on Route 140 land.

Article II was motioned by Mike Robinette and seconded by Ralph Forsyth.

Judy Wilson motioned to move Article XII up to be considered as Article II and move the other Articles to follow it. Motion was seconded Motion failed by stand-up vote.

The Chair recognized Mr. Robert Vogal of Keyes Associates who presented the public with the middle school option on the White Oaks site and the middle school on Route 140 land. Considerable discussion took place concerning these proposals. The Building Committee also addressed the proposals and received questions from the public in attendance.

Mr. Robert Emond motioned to add a fourth option stating in effect, “none of the above options.” Motion was seconded.

Mr. Bill Philpot amended the motion to include an additional option stating, in effect, “an addition to the existing site on Route 140.” Motion was seconded.

Mr. Moderator called a stand vote on Mr. Philpots amendment. Yes: 208; No: 59. Amendment passed to add fourth option stating, “an addition to the existing site on Route 140.”

Mr. Moderator called a stand vote on Mr. Emond’s amendment. The stand vote failed.

Concerning Article II, Mr. Moderator took each option to vote. Option 1 was motioned and seconded to pass on this option since it is no longer an option. A voice vote was unanimous to pass over option 1.

Mr. Moderator called a stand vote on Option 2 under Article II; Yes: 115; No: 155

Mr. Moderator called a stand vote on Option 3 under Article II; Yes: 70; No: 197

Option 4 (new option included — addition to existing site); Mr. Moderator called a stand vote on this option; Yes: 178; No: 81.

A voice vote adopted Article II to prioritize the options as the results were before them.

**ARTICLE III** — To see if the Town will vote at the March 1990 School

District Meeting to place the three options for the solving of the school space problem in order according to their preference.

The options being as follows:

1. to construct an addition to the existing elementary school,
2. to construct a middle school on the new site,
3. to construct a middle-high school on the new site. (By Petition)

A motion was made and seconded to table Article III — voice vote passed. Article III tabled.

**ARTICLE IV** — We, the undersigned citizens of Gilmanton, New Hampshire, hereby petition the Gilmanton School Board to make public an individual breakdown of all school employees; their negotiated salaries; and itemized fringe benefits including Blue Cross/Blue Shield, dental insurance, retirement, FICA, unemployment compensation, workman's compensation; plus any language changes in the existing contract. This information to be made public prior to the signing of any agreement between the Gilmanton School Board and the Gilmanton Education Association thirty (30) days prior to any SPECIAL or REGULAR SCHOOL DISTRICT MEETING.

Final acceptance of such agreement between the Gilmanton School Board and the Gilmanton Education Association must be by a majority vote of the citizens attending such Special or Regular School District Meeting. (By Petition)

David Osman motioned to table Article IV; Motion was seconded. Motion was withdrawn by Mr. Osman.

Mr. Emond offered an amendment to Article IV, stating, in effect, "to eliminate all wording following title "Article IV" and to insert": "To see if the district will vote to direct the Gilmanton School Board not to ratify any future negotiated salary, fringe benefit, or language change, in any agreement with the Gilmanton Teachers Association until after the voters approve funding for said changes at the annual district meeting or special meeting held for that purpose.

Further, to direct the school board to negotiate a fair and equitable agreement that emphasizes the employer-employee relationship between the parties to the agreement, gives the school board all management rights to establish work rules, job descriptions that include additional duties, and reasonable wage adjustments based upon a realistic formula to include Cost of Living Adjustment (COLA) as the basis of such wage adjustment. Such agreement should not cause the board to have to hire any additional personnel without a corresponding increase in the student population, should not discriminate between single and married personnel relative to fringe benefits, should authorize fringe benefits only to full-time personnel, and should not authorize retro-active pay increases."

Discussion occurred concerning the legality of this amendment.

Discussion occurred stating that the first portion of the amendment could

be considered an article and the second portion of the amendment should be considered advisory in nature.

Mr. Emond changed the verbage of "direct" in the first and second portion to read "advise."

Mr. Moderator called a stand vote on the amendment. Yes: 128; No: 118. Amendment adopted.

Mr. Emond motioned to preclude reconsideration at a later time on this article. Mr. Emond withdrew his motion.

Mr. Moderator called for a stand vote to adopt Article IV as amended; Yes: 127; No: 122. Article IV is adopted as amended.

**ARTICLE V** — To see what sum the District will raise and appropriate to fund all cost items relative to teacher salaries and fringe benefits for the 1989-90 school year, which are recommended in the factfinder's report, and which represent the factfinder's recommended increase in cost items over the 1988-89 teacher salaries and fringe benefits.

Anne Onion motioned that the District raise and appropriate the sum of \$116,755 being the deficit appropriation sum required to fund all cost items relative to teacher salaries and fringe benefits for the 1989-90 school year which are contained in the factfinder's report, and which represents the factfinder's recommended increase in cost items over the 1988-89 teachers salaries and fringe benefits as previously appropriated. Motion was seconded by Herman Kardinal, Jr.

David Osman motioned to table Article V as amended by Anne Onion. Motion was seconded. Mr. Moderator called for a voice vote. Voice vote — passed. Article V was tabled.

**ARTICLE VI** — To see what sum the District will raise and appropriate to fund all cost items relative to teacher salaries and fringe benefits for the 1990-91 school year, which are recommended in the factfinder's report, and which represent the factfinder's recommended increase in cost items over the 1989-90 teacher salaries and fringe benefits.

David Osman motioned to table Article VI; motion seconded. Mr. Moderator called for a voice vote. Voice vote — passed. Article VI was tabled.

**ARTICLE VII** — To see if the District will vote to approve all non-cost items recommendations in the factfinder's report.

David Osman motioned to table Article VII; motioned seconded. Mr. Moderator called for a voice vote. Voice vote — passed. Article VII was tabled.

**ARTICLE VIII** — To determine and appoint the salaries of the School Board and truant officer, and fix the compensation of any officers or agents of the district.

Herman Kardinal, Jr. moved that the salaries of the District Officers be set for the coming year as follows:

Moderator .....	\$ 10.00	
District Clerk .....	9.00	per hour
Chairman of School Board .....	520.00	
School Board Members (4) .....	460.00	each
District Treasurer .....	500.00	

Motion was seconded by Mike Robinette; Voice vote — passed.

**ARTICLE IX** — To hear the reports of the Agents, Auditors, Committee of Officers chosen, and pass any vote relating thereto.

Mike Robinette motioned to pass over the Article at this time; motion seconded by Ralph Forsyth. Voice vote — passed.

**ARTICLE X** — To choose Committees in relation to any subject embraced in the warrant.

Herman Kardinal, Jr. motioned to pass on to the next Article since no committees are to be chosen at this time; motion seconded by Ralph Forsyth. Voice vote — passed.

**ARTICLE XI** — To see if the voters will direct the Gilmanton School District to transfer title of the property purchased at special school district meeting, December 11, 1987, previously known as the McManus property, to the Town of Gilmanton. Said transfer to be completed 90 days from the March 24, 1990 School District Meeting. The intent being for the Gilmanton Board of Selectmen to make recommendations at the March 1991 Town meeting as to whether to retain said property for possible gravel/sand deposits or to recommend sale of property at a later date. Ballot vote required. (By Petition)

A motion was made to accept this Article; motion was seconded. Discussion occurred concerning the transfer of this land. Those people in attendance who has signed the petition were asked if they desired a ballot vote. They indicated that a ballot vote was not necessary.

Mr. Moderator called this Article to vote. Voice vote — failed. The property will remain as it is deeded.

**ARTICLE XII** — To see what sum of money the District will vote to raise and appropriate for the support of schools, for salaries of school district officers and agents (other than monies raised and appropriated in Articles V, VI and VIII), and for the payment of statutory obligations of the district.

Mike Robinette moved that the District raise and appropriate the sum of \$3,071,922 for the support of schools, for salaries of school district officers and agents and for the payment of statutory obligations of the district; motion seconded by Anne Onion.

Anne Onion moved to amend Article XII in the amount of \$56,712 for the purpose of adding \$45,000 to Teacher Salaries Account to reinstate one

and one-half teachers, adding \$7,000 to Fixed Charges account, adding \$23,300 to Capital Outlay to provide necessary classroom space, all of which were previously cut by the Budget Committee and to reduce Tuition account by \$18,000 and Rental account by \$588.

Motion was seconded by David Osman. Discussion occurred.

R. Spotts motioned to adjourn this meeting and reconvene on April 7, 1990 commencing at 1:00 P.M. at the Gilmanton School; motion seconded. Voice vote — failed. Meeting continued.

David Osman amended the motion to increase the sum to \$140,000 to include the fuel tank and the new roof. Motion seconded by Herman Kardinal, Jr. Mr. Osman withdrew his motion after being notified by Ms. Chris Hayes that the Capital Outlay in the sum of \$192,500 was included in the budget before the public.

Mr. Steven McWhinnie amended the motion to reduce the Capital Outlay to \$100,000; motion seconded.

Mr. Howard "Pete" Osler amended the motion and increase the sum of the Capital Outlay to \$140,000 which would be for the proposed replacement of the fuel tank and the new roof. Motion seconded.

Mr. Moderator called for a voice vote on the Osler amendment. Voice vote was in doubt; Mr. Moderator called for a stand vote. Yes: 139; No: 112 — the Osler amendment was adopted.

Mr. Moderator called for a stand vote on the Onion amendment. Yes: 147; No: 86. The Onion amendment was adopted.

Mr. Moderator called for a voice vote to adopt the Article XII as amended. Voice vote — passed. The amended sum is \$3,076,134 — (bottom figure).

**ARTICLE XIII** — To see if the District will vote to create an AREA School Planning Committee in accordance with RSA 195-A.

Mike Robinette motioned to pass over this Article since it is no longer a need to create said Committee; motion seconded by Anne Onion. Voice vote — passed.

**ARTICLE XIV** — To transact any other business which may legally come before the meeting.

David Osman moved to adjourn the meeting since there is no other business for the District to consider; motion seconded by Herman Kardinal, Jr. Voice vote — passed. Meeting adjourned at 6:35 P.M.

Respectfully submitted,

**SCHOOL WARRANT  
1990  
STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the School District of Gilmanton in the County of Belknap, State of New Hampshire, qualified to vote on District affairs:**

**YOU ARE HEREBY NOTIFIED TO MEET AT THE GILMANTON SCHOOL IN SAID DISTRICT ON SATURDAY, THE TWENTY-FOURTH DAY OF MARCH 1990, AT 10:00 O'CLOCK IN THE MORNING, TO ACT UPON THE FOLLOWING SUBJECTS:**

**ARTICLE I.** To see if the District will vote to raise and appropriate the sum of \$179,000 for the replacement of a fuel tank, roof, outside doors and life safety items to the Gilmanton School; architectural fees, professional services fees, and any items incident to and/or necessary for said construction; to determine whether such appropriation shall be raised by the issuance and sale of bonds or notes on the credit of the Gilmanton School District in accordance with the provisions of RSA Ch. 33 as amended; and to authorize the Gilmanton School Board to determine:

1. the time and place of payments of principal and interest,
2. the rate of interest,
3. the provisions for the sale of notes and/or bonds, and
4. all other matters in connection therewith; or to take any other action relative thereto.

**NOTICE:** After discussion, the vote must be taken by ballot with the polls remaining open for not less than one hour.

**ARTICLE II.** To see if the District will vote to prioritize the following three options to solve the School District space problem.

1. construct a middle-high school on White Oaks Road land;
2. construct a middle school on White Oaks Road land;
3. construct a middle school on Route 140 land.

**ARTICLE III.** To see if the Town will vote at the March 1990 School District Meeting to place the three options for the solv-

ing of the school space problem in order according to their preference.

The options being as follows:

1. to construct an addition to the existing elementary school,
2. to construct a middle school on the new site,
3. to construct a middle-high school on the new site. (By Petition)

#### ARTICLE IV.

We, the undersigned citizens of Gilmanton, New Hampshire, hereby petition the Gilmanton School Board to make public an individual breakdown of all school employees; their negotiated salaries; and itemized fringe benefits including Blue Cross/Blue Shield, dental insurance, retirement, FICA, unemployment compensation, workman's compensation; plus any language changes in the existing contract. This information to be made public prior to the signing of any agreement between the Gilmanton School Board and the Gilmanton Education Association thirty (30) days prior to any SPECIAL or REGULAR SCHOOL DISTRICT MEETING. Final acceptance of such agreement between the Gilmanton School Board and the Gilmanton Education Association must be by a majority vote of the citizens attending such Special or Regular School District Meeting. (By Petition)

#### NOTICE:

The Gilmanton School Board and the Gilmanton Teachers Association could not agree on a new collective bargaining agreement. State law requires that any factfinder's recommendation must be submitted to the voters for approval or rejection. Here, the School Board is submitting the factfinder report in three (3) parts as the next three (3) warrant articles. To *approve* the factfinder's report, the voters must approve the next three (3) warrant articles without modification. If the voters reduce either of the next two (2) warrant articles, or reject any of the next three (3) warrant articles, it will constitute a *rejection*, and negotiations between the School Board and the teachers must be reopened.

#### ARTICLE V.

To see what sum the District will raise and appropriate to fund all cost items relative to teacher salaries and fringe benefits for the 1989-90 school year, which are

recommended in the factfinder's report, and which represent the factfinder's recommended increase in cost items over the 1988-89 teacher salaries and fringe benefits.

- ARTICLE VI.** To see what sum the District will raise and appropriate to fund all cost items relative to teacher salaries and fringe benefits for the 1990-91 school year, which are recommended in the factfinder's report, and which represent the factfinder's recommended increase in cost items over the 1989-90 teacher salaries and fringe benefits.
- ARTICLE VII.** To see if the District will vote to approve all non-cost item recommendations in the factfinder's report.
- ARTICLE VIII.** To determine and appoint the salaries of the School Board and truant officer, and fix the compensation of any officers or agents of the district.
- ARTICLE IX.** To hear the reports of the Agents, Auditors, Committee of Officers chosen, and pass any vote relating thereto.
- ARTICLE X.** To choose Committees in relation to any subject embraced in the warrant.
- ARTICLE XI.** To see if the voters will direct the Gilmanton School District to transfer title of the property purchased at special school district meeting, December 11, 1987, previously known as the McManus property, to the Town of Gilmanton. Said transfer to be completed 90 days from the March 24, 1990 School District Meeting. ## **GILMANTON SPECIAL SCHOOL DISTRICT MEETING OCTOBER 4, 1990 – MINUTES OF MEETING**

A Special School District Meeting was held on October 4, 1990, commencing at 7:30 P.M. at the Gilmanton School with the following members of the Gilmanton School Board present: William Philpot, Jr., Ralph Forsyth, Anne Onion, Linnie Page and Cheryl Stafford.

Moderator George Roberts, Jr. called the meeting to order and presented the following for the public to vote on:

**ARTICLE I:** To see if the School District will vote to raise and appropriate the sum of Sixty-five Thousand Twenty-One Dollars (\$65,021.00), as a retroactive appropriation, to be used to fund the settlement of negotiations with the Gilmanton Education Association, said monies to be expended in the 1990-1991 school year, but to be used as settlement for teacher salaries and fringe benefits in the 1989-90 school year.

Article I was moved, and was seconded by Anne Onion. Discussion occurred concerning this Article. Various members of the public spoke in favor and in opposition to this Article before them. Walter Skantze, Chairman of the Budget Committee, stated that the Committee recommended that Article I be in the sum of Zero Dollars (\$0.00), and that Article II be in the sum of Seventy Thousand Six-Hundred and Four Dollars (\$70,604.00).

Pete Osler motioned that Article I be in the sum of \$0.00; the motion was seconded by Walter Skantze. Discussion occurred. Mr. McFadden motioned to table Article I at this time to wait until the December, 1990 tax bill is received by all Gilmanton residents. Mr. McFadden's amended motion was seconded. Discussion occurred.

After hearing all discussion, Moderator Roberts called for a voice vote on McFadden's amended motion. After voice vote was heard, Moderator Roberts was in doubt of the voice vote; therefore, he called for a stand vote. Seeing the stand vote was overwhelmingly in the affirmative, Moderator Roberts waived the counting of the stand vote. Mr. McFadden's amended motion to table Article I was passed by a stand vote.

**ARTICLE II:** To see if the School District will vote to raise and appropriate the sum of One Hundred Thirty-five Thousand Six Hundred Twenty-five dollars (\$135,625.00), in addition to the general appropriation made for the 1990-91 appropriation, to fund the increase in cost items relative to teacher salaries and fringe benefits for the 1990-91 school year, which resulted from good faith negotiations with the teachers, and which represents the negotiated increase over the 1989-90 salaries and fringe benefits.

Article II was moved by Linnie Page, and seconded. Discussion occurred. Mr. McFadden motioned to table Article II. Motion was seconded. Discussion occurred concerning the motion on the floor.

After all discussion had been stated, Moderator Roberts called for a voice vote to decide the motion on the floor. Being in doubt, Moderator Roberts called for a stand vote. Results of the stand vote were 143 — yes and 111 — no. The motion was passed by the stand vote. Article II was tabled.

Having no further items before the public, it was motioned and seconded to adjourn the Special School District Meeting. Adjourned at 8:45 P.M.

Respectfully submitted,  
Rachel Pickowicz

**AUDITOR'S REPORT ON FINANCIAL PRESENTATION**

August 2, 1990

To the Members of the School Board  
Gilmanton School District  
Gilmanton, New Hampshire

We have audited the financial statements of the Gilmanton School District as of and for the year ended June 30, 1990, and have issued our report thereon dated August 2, 1990.

We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws, regulations, contracts and grants applicable to the Gilmanton School District, is the responsibility of the School District's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the School District's compliance with certain provisions of laws, regulations, contracts, and grants. However, it should be noted that our objective was not to provide an opinion on overall compliance with such provisions.

The results of our tests indicate that, with respect to the items tested, the Gilmanton School District complied, in all material respects, with the provisions referred to in the preceding paragraph. With respect to items not tested, nothing came to our attention that caused us to believe that the School District had not complied, in all material respects, with those provisions.

This report is intended for the information of management and the applicable State and Federal agencies. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the School District, is a matter of public record.

## LETTER FROM THE SCHOOL BOARD

Perhaps these times are best described as very trying. The region's economic outlook has continued to deteriorate. Unfortunately, because school budgets are the largest line items in any given town, the focus is directed towards slashing education programs. The resulting process has been damaging to the school board in this town particularly in its attempt to resolve the teacher's wage contract. Gilmanton teachers have been without a contract for almost two years. In the past, Gilmanton has supported education; I certainly hope that trend continues. If not, it is my fear that the future of our children will be compromised.

The school board has attempted to address the economic reality by cutting expenditures. Approximately \$52,000 was returned to the general fund in 1990 from sums remaining from savings attributable to 1989-90 school budget. As of this writing, the school board proposes a budget of approximately 1% less than the previous year. No additional costs can be made without compromising the quality of education which we provide our students. If the educational system in Gilmanton, and for that matter, every other town and city in this state is going to continue, a different form of revenue base will be required. Property owners should not be asked to dig deeper and deeper into their pockets to foot the bill — that system no longer works.

New Hampshire's present tax system in my opinion is unequal and, therefore, not meeting the measure of the law. Since other branches of state government have not addressed the issue of equal funding of education, the judiciary will be asked to decide the question in the so-called "Claremont case" presently working its way through the court system — the school board has agreed to participate in this case by providing modest funding to defray the legal expenses of the litigants against the State of New Hampshire. Thus far, seven high courts in other states have found for the Claremonts of this county and have directed their state governments to provide equal funding of education so that the poor kid and the rich kid may have the same opportunities under a public educational system. I trust that Claremont shall succeed and therefore, Gilmanton and the rest of the school districts in this state will benefit.

Although these have been trying times, there have been some shining examples of commitment; the community involvement of the past has continued in support of the Gilmanton school through the volunteer program — Gilmanton has won yet another "Blue Ribbon." In addition, school staff and volunteers coordinated the production of *The Nutcracker*. The production was such a success that the school multipurpose room was packed to a standing room audience with many late comers relegated to the halls.

In closing, I trust there will be a willingness to consider the future, rather than focusing and dwelling on the present.

Sincerely,  
William Philpot, Jr.  
Chairman Gilmanton Board
